## ELECTRONIC RECYCLING AND PAPER SHREDDING EVENT

The Two Rivers Council of Governments in conjunction with Northampton County and the Palmer Township Environmental Steering Committee will sponsor the third annual Electronic Recycling Event at the Easton Area High School on May 15th from 9 am to 2 pm. Many forms of electronic items can be recycled such as computers, microwaves, telephone systems, televisions, and batteries along with many other items. To see the full list of items visit your municipality's web sites or [palmertwp.com](http://palmertwp.com). There will be a nominal charge of \$1.00 for most items except for televisions, which will be \$18.00.

This year there will also be an opportunity to have residential and/or business documentation shredded and recycled at the same time and place. There will be a \$2.00 per vehicle charge for this service with each vehicle being limited to five "copy paper" size boxes or three large trash bags of documents. The shredding event is partly sponsored by Briglia Consulting Engineers and Cartridge World of Phillipsburg.

If you have any questions please contact Mr. Tom Dittmar at (610) 559-3200 ext. 4.

The Two Rivers Council of Governments is made up of Bethlehem Township, Easton, Forks Township, Freemansburg, Northampton County, Palmer Township, West Easton, Wilson and Williams Township.
